Loveland Generations grants \$19,600 to local projects

Giving group celebrates 20 years of supporting Loveland nonprofits

Loveland Generations, a committee-advised fund of the Community Foundation of Northern Colorado celebrating two decades of service to Loveland, announces it awarded a combined \$19,600 to six organizations.

Nonprofits projects receiving funding:

- **Able Kids Foundation** – auditory services scholarships for children with central auditory processing challenges
- **Loveland Lions Club**– eyeglass assistance program
- **Respite Care, Inc.** – short-term care for children with developmental disabilities
- **Court Appointed Special Advocates of Larimer County (CASA)** – mobile computer lab for the Fostering Futures mentoring program for foster children
- **Be the Gift, Inc.** – home repair assistance for widows, single moms, and their children
- **Neighbor to Neighbor** – homelessness prevention program

The Loveland Generations giving group is composed of community-minded people who pool their charitable dollars in a common fund to create a greater impact for community needs. Group members work to better understand philanthropy and to appreciate the valuable work of local nonprofit agencies. Members make an annual donation, observe its impact, and are invited to attend celebrations without further involvement.

To date Loveland Generations has awarded 136 grants to Loveland nonprofits for a total of \$292,885.
