Community Foundation Launches New Grant Cycle

Nonprofits serving Berthoud, Estes Valley, Fort Collins, and Loveland invited to apply

The Community Foundation of Northern Colorado announces the launch of its new grant cycle, opening Wednesday, August 3, 2022.

Charitable organizations seeking funding for work benefiting Berthoud, Estes Valley, Fort Collins, or Loveland are invited to apply. Grant applications will be reviewed by grantmaking committees based in each community. Eligibility requirements and detailed application information can be found on the Foundation's website at NoCoFoundation.org/nonprofits/grants/. Applications will be accepted online until Wednesday, August 31.

Through grantmaking, the Community Foundation's community fund committees support collaborative projects and strategic, high-impact work. Over the Foundation's last fiscal year, 44 different causes received competitive grant funding totaling more than \$382,000.

The new grant cycle has been streamlined to simplify the application process for nonprofit partners and increase efficiency for applicants and grantmaking committees. Please note only 501(c)(3) nonprofits, educational institutions, churches, and municipalities may apply.
